The value of your pension

Depending on our financial situation, we may increase or decrease your pension. Up-to-date information can be found at www.pmepensioen.nl/over-pme/financieel.

What are the consequences for your pension?

That depends on your situation and the choices you make.

- **Increasing the pension for your partner**

If the partner's pension is not enough for your partner to live on, you can exchange part of your own pension for more partner's pension. Your possibilities depend on your personal situation. Please contact us for more information.

- **Continuing pension build-up at PME**

You can opt for this if you are unemployed or self-employed. If you are occupationally disabled, you will be eligible for full or partial non-contributory pension build-up.

If you wish to know more, go to www.pmepensioen.nl. Look under 'Nieuwe baan' ('New job'), 'Ontslag en werkloos' ('Dismissal and unemployment') or 'Ziekte of arbeidsongeschikt' ('Illness or occupational disability') for information on the possibilities open to you.
